1. REMINDER TO OFFICERS MAKING FELONY DRUG ARRESTS

Officers making a felony drug arrest upon any rental property are reminded to forward a readable copy of the Form 527, Arrest Report, to the Narcotics and Vice Section (formerly Central Vice Control Section).

The Narcotics and Vice Section must have the information contained in the Form 527, whenever a felony drug offense is committed on property owned by another, to facilitate the preparation of a notification letter to the property owner, lessee, occupant, custodian, or supervisor of the location. The letter must relate the facts and apprise the responsible party of their responsibilities and potential arrest for future violations.

Personnel are advised to review [Procedure 12.130](#), Vice Control and Enforcement Responsibilities, in its entirety. This procedure is available on the Intranet and Department webpage.

2. INHALANT ABUSE TRAINING

The Ohio Peace Officer Training Academy (O.P.O.T.A.) will conduct *Inhalant Abuse* training at the Police Academy on Friday, April 20, 2012, from 0900 to 1200 hours.

This three-hour seminar will clarify common misconceptions of inhalant abuse and the challenges facing law enforcement and first responders in detecting and investigating this dangerous intoxicant. Specifically, the course will cover the hard-to-detect signs of inhalant abuse, the startling effects inhalants have on users, and the products frequently associated with abuse. This course will also address the importance of the first responder in assessing and dealing with an inhalant abuser to ensure unintended consequences, such as sudden sniffing death syndrome, are avoided.

This course is free of charge. Officers may attend on-duty with the approval of their supervisor. Personnel interested in attending the training must submit a Form 17, through the chain of command, to Training Section by Thursday, February 23, 2012. Training Section will complete the registration process and notify personnel approved to attend. There will be no overtime provided for personnel attending this training. Any questions regarding this training should be directed to Lieutenant Christine Briede, Training Section, at 352-3562.

3. 2012 IN-SERVICE DRIVERS TRAINING

Training Section will conduct an In-Service Drivers Training course on Friday, March 2, 2012, from 0700 to 1500 hours. The training will be held at the Hamilton County Sheriff's Office Headquarters, located at 11021 Hamilton Avenue. Participating officers should respond to the rear of the Hamilton County Board of Education building, adjacent to the Sheriff's Office.

This course is designed and intended for officers who have been identified as needing additional training. Training will consist of OPOTA driving courses, skid car training, and a driving assessment. Casual attire or operational uniform is permitted.

Each district/section/unit may designate a maximum of two officers to attend and must provide a marked police vehicle if it has an officer attending. Each district/section/unit commander, or designee, must submit a Form 17 through the chain of command, identifying the officers attending the training, the participating officer's employee ID number, and the name of the officer responsible for bringing the vehicle. This information should **also** be forwarded electronically to Lisa.Crisafi@cincinnati-oh.gov by Monday, February 27, 2012. Any questions regarding this training should be directed to Sergeant Lisa Crisafi, Training Section, at 564-1060.

Directions: The Hamilton County Sheriff's Headquarters is located at the intersection of Hamilton Avenue and Waycross Road, in Mt. Healthy. Take I-275 to the Mt. Healthy/ Hamilton Avenue exit and go south approximately ¼ mile from the exit. The Hamilton County Board of Education building is on the North West corner of the intersection. The driving area is directly behind this building.

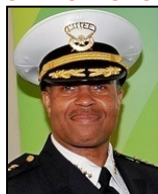

4. COMPSTAT INFORMATION

Attached to these Staff Notes is the most current COMPSTAT Information. Department personnel are directed to review this information to ensure they remain familiar with crime patterns and trends occurring within the City and their areas of responsibility.
